

Newark Community High School #18 is diligently working on a Return to School plan for our students, staff and community for the 2020-2021 school year. This plan will adhere to the guidelines that the Illinois State Board of Education (ISBE) and the Illinois Department of Public Health (IDPH) developed. We have had several families complete our parent survey, but if you have not completed the survey, please do so by July 17, 2020.

We will utilize this feedback to help develop our final plan. This information will be released no later than July 29th. Please note that all plans are subject to change due to changing guidance from ISBE and IDPH.

Thank for your patience and support during these uncertain times.
