

Newark Community High School
Limited Edition Hoodie
Available to Students and Families
Black Camo

Newark High School is selling these limited-edition hoodies for students, families, and the public. They are \$30 each. They do run a size smaller, so you will want to size up. Funds raised will go to academic scholarships, athletic programming, and our student support programs.

If interested in purchasing, contact Jan Ingraham in the main office. You can call: 815-695-5164 or email: jingraham@nchs18.org.

We will be selling at various upcoming basketball games as well. Thank you for your support.
